## BVASD Student iPad Collection Notification

Dear Parents and/or Guardians,

As we approach the end of the school year, I wanted to inform you about Belle Vernon Area School District's policy regarding end of school year iPad collection.

### **BVAMS, MES, RES (Grades K-8)**

This year, iPad collections for grades K-8 will occur beginning May 23rd. Each building will set specific times and days for this collection.

Please make every attempt to make sure your student's iPad is fully charged and that they have their charger for this collection.

Each student's iPad will be securely stored in a sealed package for the summer. When they open the package at the beginning of the 2024-2025 school year their iPad will be in the exact condition along with the charger that was turned in.

Several grades have iPads that have become end of life and those iPads will be replaced with newer devices.

### **BVAHS (Grades 9-11)**

This year, we will **not** be collecting iPads from students in grades 9 - 11 at the end of the school year. Instead, it will be the responsibility of each family to keep their child's iPad safe and secure over the summer months.

However, if you prefer to turn in your child's iPad, you may do so on May 28th. Please ensure that the iPad is fully charged and returned with the case and all accessories that were provided.

Thank you for your cooperation and support in ensuring a smooth transition into the summer break. If you have any questions or concerns, please don't hesitate to reach out.

**ALL Seniors MUST Turn in their iPads** prior to receiving a cap and gown.

Thank you,
