Dear Parent(s):

As of October 1, 2022, and through the end of the 2022-2023 School Year, schools participating in the School Breakfast Program will be able to serve students a school breakfast at no charge.

This change is only applicable to the School Breakfast Program in the 2022-2023 School Year and does not affect a student's eligibility status for lunch (free, reduced, and paid, respectively).

This is great news for the student and families of the Belle Vernon Area School District.

Sincerely,

Kenneth A. Williams

Superintendent of Schools
